Dear Store Manager:

I recently discovered some amazing products that would be ideal for your store and want to introduce you. The company is called Organic Nectars and they make the most delicious vegan, low-glycemic, organic **raw agave sweetener, raw agave dessert syrups, raw agave gelato, raw cacao chocolates, gojiberries, raw cacao nibs and cacao powder.**

Everything is certified organic, kosher parve and vegan and is raw, low-glycemic, and free of dairy, soy, eggs, gluten, refined sugar, and GMOs and is incredibly delicious! Plus they won four Fancy Food Show awards – the “Oscars” of the gourmet food industry: the 2009 Gold sofi™ for **Outstanding USDA Organic Product** (for their Raw Agave Gelato, free of dairy, soy, gluten and refined sugar), the 2009 Silver sofi™ for **Outstanding Diet or Lifestyle Product** (also for their gelato), the 2008 Gold sofi™ for **Outstanding Diet or Lifestyle Product** (for their gelato again) and the 2008 Silver sofi™ for **Outstanding Dessert or Dessert Topping** (for their Chocagave Raw Cacao Dessert syrup, also free of dairy, soy, gluten and refined sugar – also free of fat).

As a frequent customer of yours, I’d like to be able to buy these products right here. So please call 845.246.0506 or email info@organicnectars.com to get more information on how to order.
